

NOTICE

This is Notice that Blue & Gold Fleet, L.P. has filed Applications with the California Public Utilities Commission for authorization to discontinue scheduled passenger transport service between San Francisco and Angel Island State Park and between San Francisco and the City of Tiburon. Application No. 20-09-004 is a request for authorization to discontinue scheduled passenger service between San Francisco and Angel Island State Park. Application No. 20-09-005 is a request for authorization to discontinue scheduled passenger service between San Francisco and Tiburon. The Applications explain that ticket sales and revenues on these services have been declining significantly over the last few years, and that operating costs have risen significantly. The Applicant projects that without discontinuing these services, it would be operating at an increasingly significant operating loss.

Questions about or comments on these Applications can be directed to the Applicant by mail to:

Blue & Gold Fleet, PIER 41, Marine Terminal
San Francisco, CA 94133
or by Email to info@blueandgoldfleet.com.

Questions or comments on these Applications can be made to the CPUC by mail to:
